Objective

I strongly believe" If you cannot explain it simply, you didn't understand it well enough", this made me fell in love with teaching.

Educational Qualification

1. Completed M.Tech. in Geo-Technical Engineering specialization under Civil Engineering stream from IIT Hyderabad in 2016. Done my research on slope behavior of Municipal Solid Waste and provided thesis on SLOPE STABILITY AND RELIABILITY ANAYLSIS OF MSW SLOPE.
2. B.Tech in Civil Engineering with an aggregate 8.5 from Sri Venkateswara University College of Engineering, Tirupathi in 2014.

Work Experience

1. Currently, working as Assistant Professor in Civil Engineering Department, ACE Engineering College from August 2020 to till date.
2. Worked as GATE / ESE Faculty at ACE Academy, Hyderabad from June 2016 – July 2020. Taught Geotechnical Engineering and open channel flow for various competitive examinations to 10,000 + students.

Research Interest

Presently, teaching Geo-technical Engineering and working towards feasibility of geosynthetics to reinforcement the weaker soil to withhold the heavy / high rise buildings.
