to Raghu Vamsi Yadala, Soumith Kasetty, Naveen, Bettathpura Arun, Kumar, Pramod

Hi Raghu and Soumith,

Thank you for your time yesterday. We need the following details from you to proceed further, once we have th

Learn2Earn program is approved for Ace for \$27,421.79, which will be added to your account as AWS service we provided as a strategic engagement). Also, we explored the availability of bi-annual payment method, unfc

Your purchase of the AWS Skill Builder Team Subscription is subject to the AWS Customer Agreement the Services (the “**Agreement**”); and is subject to the AWS Training Policies in effect as of the date AV <https://aws.amazon.com/training/aws-training-policies/>, which details the fees and other terms relevant to yc

The Team Subscription is a paid year-long AWS Training Service Offering through which customers purchas (“**Seats**”). This is in addition to the free content on AWS Skill Builder. You assign Seats to your employees a Learners, enabling single sign-on (SSO) access, and creating training progress reports.

**To finalize your AWS Skill Builder Team Subscription order, please reply to this email and provide th**
