**Mallikarjuna Block -1, Room no: 1005**  
ACE ENGINEERING COLLEGE, Ghatkesar, Hyderabad.

Fig:1 Parent-Teacher Meeting Brochure

The Department of Electrical and Electronics Engineering (EEE) organized a Parent-Teacher Meeting (PTM) for III Year I Semester students of the Academic Year 2025–26 on **16-10-2025**. The meeting was conducted under the guidance of **Dr. Miska Prasad, Professor and Head of the Department, EEE**.

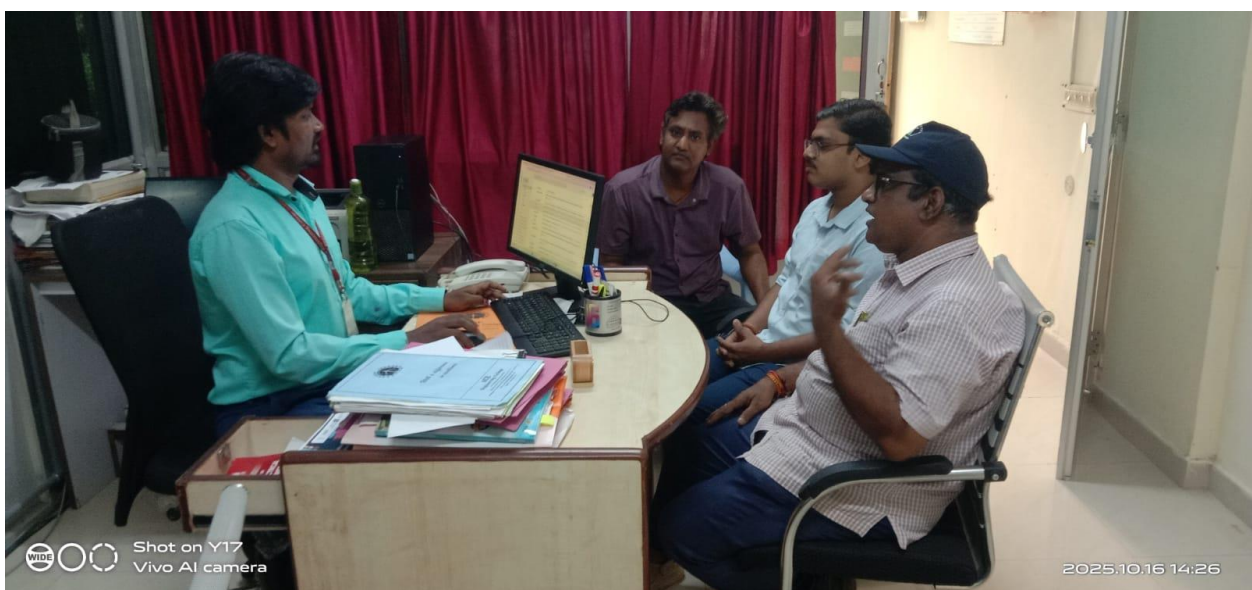

**Dr. P. Varun Krishna, Assistant Professor and Class In-Charge**, took the initiative to inform parents well in advance through phone calls and the official class WhatsApp groups.

The primary objective of the PTM was to foster meaningful communication between faculty and parents, providing them with a clear understanding of their ward's academic performance, attendance, strengths and areas needing improvement. The one-on-one interactions enabled parents to gain personalized feedback and insights that will support the student's academic journey.

**Attended from III Year:**

1. Mr.D.Sunil Datta parent of D.pavan kumar(23AG1A0207)

Parents actively participated in the discussions, expressing keen interest in their ward's academic progress. They reviewed the Mid-1 examination marks and inquired about both curricular and extracurricular activities offered by the department. Open communication allowed for productive discussions, with parent appreciating the transparency and accessibility of the faculty.

**Figure 2: Conversation with Mr.D.Sunil Datta parent of D.Pavan kumar**

**Suggestions from Parents:**

Provide timely updates about Mid and End Semester examinations

Share examination results through official links

Conduct more seminars and conferences for student exposure

Arrange motivational lectures

Create awareness about GATE and offer preparatory classes

Arrange more industrial visits

Many parents expressed satisfaction with the academic environment and the holistic development opportunities provided by the department. Their constructive feedback will be considered for continuous improvement in future academic and outreach activities.
