## DEPARTMENT OF MECHANICAL ENGINEERING

- Event Name: MECARNIVAL-2025
- Dates: 22nd & 23rd September 2025
- Venue: Ramaiah Auditorium
- Organized by: Department of Mechanical Engineering, Mecazaya Technical Club

### Introduction

MECARNIVAL-2025, organized by the Department of Mechanical Engineering under the Mecazaya Technical Club at ACE Engineering College, was a two-day celebration of innovation, creativity, and talent. Held on the 22nd and 23rd of September 2025 at Ramaiah Auditorium, the event brought together a vibrant mix of **technical competitions and cultural performances**.

The carnival aimed to ignite curiosity, foster collaboration, and provide a platform for students to showcase their diverse skills. With a perfect blend of knowledge-sharing, problem-solving challenges, and cultural expression, MECARNIVAL-2025 served as a holistic experience that highlighted the spirit of teamwork, innovation, and festivity.

## Objective

MECARNIVAL-2025 was organized with the objective of fostering technical knowledge, creativity, and cultural engagement among students. The technical events aimed at sharpening analytical and problem-solving skills, while the cultural events provided a platform for students to showcase their artistic talents and teamwork.

## OUTCOME

The two-day carnival created a vibrant environment that blended **technical innovation with cultural expression**. Students gained hands-on exposure through competitions like CAD design, Fix Me, Automobile Quiz, and Tech-Xpo, while also enjoying the thrill of E-Sports and creative events. The cultural segment added energy and enthusiasm with dance, singing, ramp walk, rap, stand-up comedy, and battle of bands.

The event not only **enhanced technical competency** but also **encouraged self-confidence, leadership, and collaboration** among participants. Amazing cash prizes motivated students to perform their best, making the fest a memorable success.

## **NUMBER OF PARTICIPANTS**

Over **650 students** from various departments enthusiastically participated in different technical and cultural events, making MECARNIVAL-2025 a grand celebration of talent and innovation.

## **EVENT HIGHLIGHTS (PHOTOS/VIDEOS)**

 Photos and videos of the Treasure Hunt, CAD competition, cultural dance, and ramp walk were captured during the two days of the carnival. These visual highlights reflected the immense excitement, creativity, and team spirit among students.

## **Conclusion**

MECARNIVAL-2025 concluded on a highly successful note, bringing together students from various departments in a spirit of innovation, competition, and celebration. The two-day fest offered a balanced mix of technical events and cultural performances, ensuring active participation and enthusiasm throughout. The event not only enhanced students' technical knowledge but also encouraged creativity, teamwork, and leadership skills. With exciting competitions, cultural showcases, and rewarding prizes, the carnival created memories to cherish and lessons to carry forward. Overall, MECARNIVAL-2025 reflected the college's commitment to fostering talent and igniting young minds with the energy of innovation and collaboration.
